COLUMBAN COLLEGE - SENIOR HIGH SCHOOL

2011 - 2014

Science, Technology, Engineering, and mathematics Strand (STEM)

Senior High School Diploma | With Honors

PROJECTS

Web-based Villa Event Reservation System with Mobile Application

January 2025 - March 2026

As the team leader, I led the development of a full-stack web-based Event Villa Reservation System with dedicated admin, staff, and customer panels. The system features role-based login, real-time villa availability, booking approvals, staff assignment, and an event calendar. It provides customers with real-time updates and sends email notifications regarding their booking status. A mobile application is currently in development to extend accessibility and functionality for users on the go.

Technologies Used: HTML, CSS, JavaScript, Xampp, PHP PDO

SOFT SKILLS

- Leadership
- Team Management
- Adaptability
- Problem-Solving
- Communication
- Initiative and Self-Learning

TECH SKILLS

- HTML and CSS (Basic)
- Xampp
- PHP PDO (Basic)
- Java, Python, C++ (Basic)
- AutoCAD (Basic)
- Canva (Intermediate)
- MySQL, Git, XAMPP, Visual Studio Code, Arduino IDE (Basic)

SEMINARS ATTENDED

- Four Pillars of Object-Oriented Programming
Online Live Seminar – November 2021
- The Basics of Python
Online Live Seminar – January 2023
- Hour of Code
Online Webinar – November 2025
- Data Privacy Awareness
Online Webinar – November 2025
- Introduction to Extended Reality
Online Webinar – November 2025
- Learning the Basics of Vibe Coding
Online Webinar – November 2025
- Blockchain and Financial Technology
Online Webinar – November 2025
- Learn AI and Coding in a Fun and Engaging Way
Online Webinar – November 2025
- IoT & Smart Solutions for the Philippines
Online Webinar – November 2025
- Apply AI: Update Your Resume
Cisco Networking Academy – January 2026
- Introduction to Cybersecurity
Cisco Networking Academy – January 2026
- C++ Essentials 1
Cisco Networking Academy – January 2026
- JavaScript Essentials 1
Cisco Networking Academy – February 2026
- Apply AI: Analyze Customer Reviews
Cisco Networking Academy – February 2026
- Phyton Essentials 1
Cisco Networking Academy - March 2026

ACHIEVEMENTS

- Maintained a total average grade of 1.2 from 1st year to 4th year in my academic studies

WORK EXPERIENCE

- On-the-Job Training – IT Intern
La Rose Noire IT Department – July 2025 to November 2025
 - Assisted in installing and configuring IT hardware including CCTV systems, biometric devices, printers, and office workstations.
 - Provided technical support by troubleshooting hardware, software, and network connectivity issues.
 - Developed and enhanced internal web systems using HTML, CSS, JavaScript, PHP, and SQL.
 - Implemented database operations, dashboards, and workflow features for internal company applications.
 - Performed system testing, debugging, and documentation to improve usability and system performance.
